

Subscribing to an RSS feed

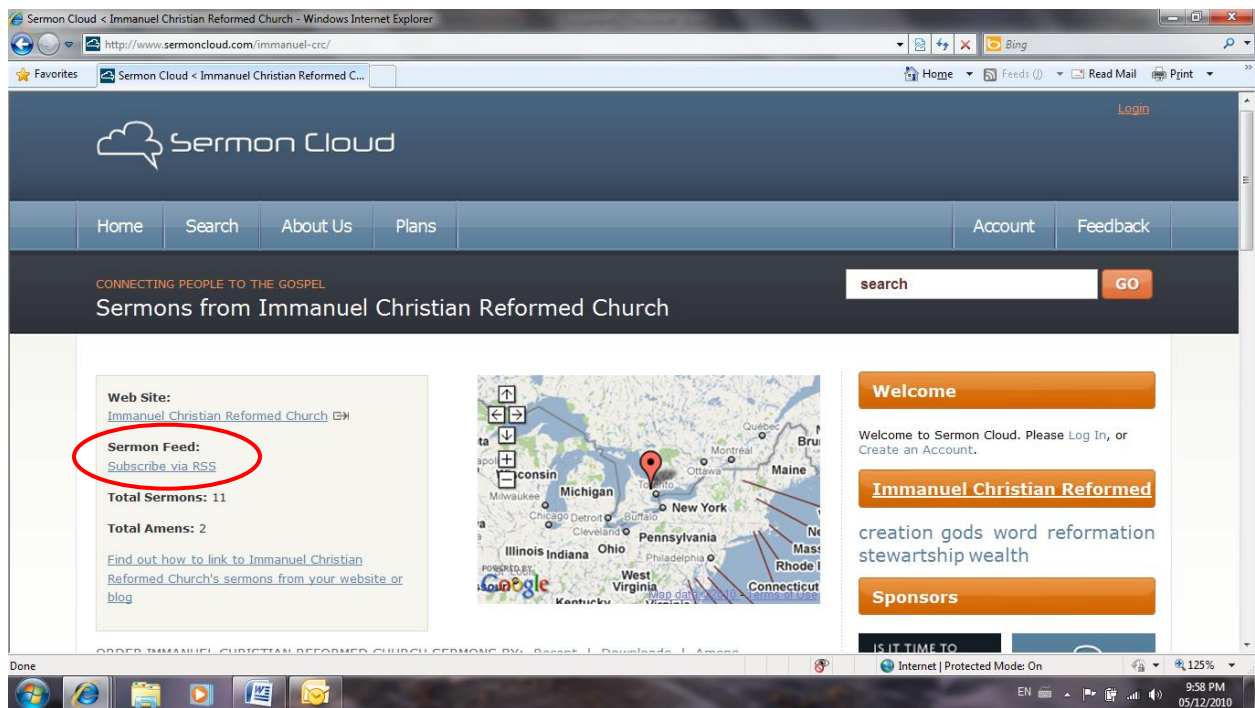

What is an RSS feed?

RSS (most commonly expanded as **Really Simple Syndication**) is a method of notifying a subscriber to publish frequently updated works or files. By subscribing to an RSS feed within an email you will be notified every time a new sermon is posted.

In order to subscribe to the Immanuel Christian Reformed Church sermons you go to the Immanuel CRC website (www.immanuelcrc.ca), click on 'About Us' then 'Past Services' and then on the Sermon Cloud icon.

This will open a new web page that looks like the following:

To subscribe to the RSS feed click on the shortcut and follow the instructions (Circled in Red) It will appear in the "Feeds" area of your email if it supports RSS feeds or under Favourites in Internet Explorer under the "Feeds" tab . To delete the feed in Internet Explorer (IE) click on the favourites star, then go to the "Feeds" tab. Right Click on the Immanuel Christian Reformed Church in the list and select "Delete".
