

# Create a Personal Account with Sermon Cloud - Free

Create an Account with Sermon Cloud and:

- **Amen** sermons
- Leave **Comments**
- **Tag** sermons
- Let other people see your favorite sermons
- **Upload sermons** from your church
- Create & save **personal playlists** of sermons.

How?

Go to the Sermon Cloud through the Icon on our website.

Click on "login" found in the top right corner of the web page.

A login window pops up and near the bottom click on "Create an Account"

Follow the instructions. There is no fees associated with registering a personal account.

Note: Creating an account is completely secure and nobody has access to your information without your consent.
