

Winter 2012 – Small Group Guide #2

For Sermon Series: Listening to God

Jan 29: Supernatural – Luke 11

Feb 5: Hearing from God – Ephesians 6

Feb 12: Be Still – Psalm 46

beginning

Take a moment to hear from each other what God has been doing in your lives since you last met.

getting real

1. Have you ever experienced anything to do with the realm of angels and demons?
 2. Share a time when you felt the Spirit moving in you?
 3. Have you practiced silence for any amount of time? How did you experience that?

sermon stuff

1. What stuck out for you in the service or sermon about the supernatural?
2. How would it change the way you do things if you were more aware of spiritual forces?
3. In what way have you most often or most clearly heard from God?
4. What has the Spirit been saying to you lately?
 5. What questions has this sermon series raised for you?
 6. What are you working on, dealing with, in your spiritual journey?

prayer time

1. Begin your prayer time by asking for angels to come to protect the space in which you are praying. Also pray that there be no demonic interference. Pray that the Holy Spirit guide you and fill you as you pray.
2. Pray for each other in line with what has been shared in answer to the questions above.
3. After the prayer time, take a moment to discuss what that meant for your prayer time.
